

OZZ Media Corp

OZZbox3.com is produced by OZZ Media Corp. Our mission is to build trust in the world one screen at a time. Our vision is OZZbox3.com, a film portal to see the unseen.

The Creative Time Machine

Think of OZZbox3.com as a creative time machine to build trust in the world.

Think of the stories it conveys as fuel to transport you from the life you live into a fiction that magically moves past what ever holds you back. Think of the choices you make after that, and the journey you take to achieve your dreams by sharing resources with other people, whether you are a CEO on the inside or an Outsider looking inward. Think of OZZbox3.com as a time machine that makes your dreams real by making their dreams real, all while we build trust in the world for real.

Minimum Viable Product (MVP)

OZZbox3.com is a minimum viable product, or MVP, which means people have a say in what it becomes by supporting it, and as it develops, benefiting from it.
