
Guy Products Opps are for products used by guys. Girls can use them too.

Guy Product Opps is a narrative placement program for products used in a story about guys and girls too. Narrative placement occurs on The Future Portal, which leverages fiction to build the future for both sides.

Seven opportunities to sponsor OZZ Media Corp and its unique fictionalized true story are available. OZZ story is shared via OZZbox3.com inside Future Books, Future Stage, and Future Films:

1. Banks – start-up and established banks interested in hero narratives
 2. Whiskey Companies – A powerful banker named OZZ enjoys a personal relationship with whiskey due in part to the whiskey company he owns, the demo whiskey he consumes throughout the story.
 3. Private Jet Manufacturers / Private Jet Service Companies – OZZ flies throughout the world and throughout the story in his private jet. A film studio is built inside the jet.
 4. Laptop & Smart Phone Manufacturers – OZZ frequently works on his computer and his phone as part of the narrative
 5. Film Production Equipment Manufacturers – Film studio built inside private jet and used throughout the story
 6. Military Equipment Manufacturers – OZZ retains two retired military as personal security team
 7. Cigar Makers – manufacturers and distributors of quality cigars
