
Mission Briefs is the free eBook series about a City of London Bank Executive on a mission to build a better future with everyone, a guy who knows how real his story becomes because you deserve it. Central to his focus in a true story fictionalized about a guy who got robbed by one of his banks, his story demonstrating how corporations benefit from human characteristics forgotten in recent years.

Here's Where We're At: Mission Briefs

Mission Briefs is a free three-part eBook series of brief reads about a City of London Bank Executive on a mission to build a better future with everyone. Each eBook is released from his aircraft hanger overlooking the London Square Mile Banking District, the hub of financial activity for the world. This banker's vision is The Future Hub at OZZbox3.com, a mission based set of tools developed over time to enable consumers to shape corporate strategic plans in ways that benefit everyone.

Here's How They Make It Real: Mission Map

Mission Map is the proprietary process delivered to corporate executive to execute their strategic plans with the support of consumers by demonstrating benefit to them. The Map adapts strategic plans into stories that shine light on mutual benefit.

Here's How You Make It Real: Mission Go

Mission Go is corporate executive reaching out to consumers in ways that benefit both sides. Face-to-face events humanize the corporation by bringing humans together in the same room, and through Mission Briefs, enable each side to implement corporate goals and a better future for everyone.
